Submitted to: Glendale School District		Phone	Fax
Attn: Mike Jardine		Project Name Glendale High School Valcom Intercom Upgrade	
Address		Job Location Glendale, Oregon	
City, State and Zip Code	Project Number	Proposal Date March 25, 2022	

## PROPOSAL DESCRIPTION

**Systems included:** Turn Key Installation of the following systems: We will provide a Valcom intercom system. We will program the Valcom system. Owner will provide all network switches and network equipment, and supply all networking information for devices to comply with Valcom best practices and standards. Network cabling to reader boards by others. Cabling to hallway paging speakers and outdoor speakers are included. Owner to provide rack space for the Valcom equipment. Owner will need to provide dial code plan, room numbers, and bell schedules for this install. We will program dial code plans, room numbers, and bell schedules. We have excluded demo of existing intercom speakers and intercom equipment.

**This proposal includes:** Material and labor to cable/install/trim out Valcom equipment and devices shown on attachment, panel terminations, testing, inspections, low voltage permit, submittals, O&M manuals, 8 hours of training, and close out documents. Proposal is based on project Electrical CAD drawings furnished to Certified Systems, Inc. at no cost.

**Excluded from our proposal are:** Electrical circuits and power for equipment, conduits, surface raceways, grounding and bonding, new racks, patch panels, patch cables, network switches and network equipment, cooling fans in racks, firewalls, UPS back up, computers, interface to phone system, network cabling to reader board and all network endpoints and equipment locations, use of existing speakers and cabling, microphone and music input at reception area, engineering fees for seismic bracing and earthquake restraints, painting and repairing of wall floor and ceiling finishes, cost to provide additional insurance coverage and endorsements, additional devices required or requested by others, devices not included on the attached equipment list, anything that has not been specifically stated as included within this proposal, and all bonding. \*\* Additional charges may apply if primary and non-contributory language is required. All demo of AV equipment and cabling by others.

**Equipment included:** See attachment

Due to supply chain issues some material may not be available at time of this quote and may not be available during or before completion of project. Certified systems, Inc will not be responsible for material delivery issues.

This Proposal includes the equipment list and the terms and conditions, all of which are attached and incorporated here by reference as though set forth in full. By signing this proposal you acknowledge receipt of and acceptance of terms and conditions.

**Seventy Nine Thousand One Hundred Fifty Four Dollars Exactly** **\$79,154.00**

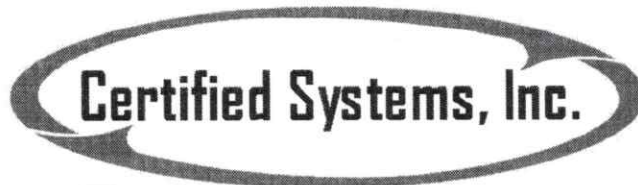

NET PAYMENT DUE BY THE TENTH (10TH) OF EACH MONTH FOR ALL WORK COMPLETED BY THE END OF THE MONTH

The proposal is satisfactory and accepted. The company is authorized to proceed under the proposal.

The proposal must be accepted within 30 days from the date on its face, or we may withdraw it.
