

Successfully Educating All Students

CORE BELIEFS in Glendale School District:

- Every student can learn.
- All students, staff, families, and community members are essential partners in our educational community.
- Our schools will be a safe and healthy place for students to learn.
- High levels of learning occur when best practice and engagement are the foundation of our instructional design.
- Working in professional and collaborative teams allows us to make a greater impact on student learning.

DISTRICT EQUITY LENS in Glendale School District:

- Whose voice is and isn't represented in this decision?
- Who does this decision benefit or burden?
- Does this decision close or widen the access, opportunity, and expectation gaps?
- How have we intentionally involved stakeholders?
- How will we modify or enhance the district's strategies to ensure each learner and community's individual and cultural needs are met?

Glendale School District Mission :

Our mission, in partnership with parents and the community, is to provide a safe environment for our students – where they can be educated, challenged and inspired to reach their full potential.
